(54) HEARING ABILITY IMPROVING AGENT

(57)Abstract:

PROBLEM TO BE SOLVED: To provide a medicine that can ameliorate the hearing ability, for example, so-called organic hypacusis such as presbycusis and the like.

SOLUTION: This hearing amelioration medicine comprises (1) an oxacam anti-inflammatory analgesic component and (2) one or more kinds of sympathetic stimulant component, antitussive component and antihistiamic component and is useful as a medicine for ameliorating the hearing ability in the organic hypacusis.
